Dear Sir:

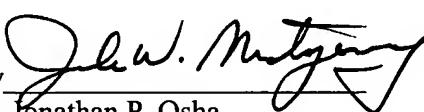

In response to the Notice of Non-Compliant Amendment dated October 6, 2006, Applicant respectfully notes that, as agreed in a telephone conversation on October 20, 2006, the amendments to the Specification in the response filed on August 7, 2006, are correctly numbered according to the Specification as filed.

Although the Examiner referenced the Application as published when viewing the amendments to the Specification in the response filed on August 7, 2006, Applicant respectfully notes that there is a discrepancy between paragraph numbering in the Specification as filed and paragraph numbering in the Specification as published. Accordingly, Applicant respectfully asserts that the Amendment filed on August 7, 2006, is not a non-compliant Amendment.

Applicant believes this reply is fully responsive to all outstanding issues and places this application in condition for allowance. If this belief is incorrect, or other issues arise, the Examiner is encouraged to contact the undersigned or his associates at the telephone number listed below. Please apply any charges not covered, or any credits, to Deposit Account 50-0591 (Reference Number 17170/002001).
